INSANITY 1978-79

Meeting deadlines . . . Getting pictures made . . . Visits from John Smith . . . Junior Editors, Lisa and Bob . . . Confusion with photographers . . . Mad rush to have pictures taken . . . Getting big pages to fit into small envelopes . . . Insanity 1978-79.

As the 1978-79 annual editors, we would like to thank everyone for all of the help we received in putting together this annual. We would like to say thank-you to the journalism students, I and II, our photographers, advertisement and sales people, junior editors and especially to Ms. Karla Richardson, our advisor, who seemed to stick with us through thick and thin.

As to the title of this annual, we hope that we offended no one by choosing "insanity". As a staff, we tried to show the mania, madness, and strange occurances which take place during a "normal" school year.

We hope you enjoy this annual as much as we enjoyed putting it together.

Mike & Tracy
